## Early Cancellation - Quick & Easy!

1. Select the Course you or your child are registered for and click **MANAGE REGISTRATION**.
2. Select **MANAGE SESSIONS**
3. **UNCHECK** any single session dates the student cannot attend & click **SAVE**.
4. Where space permits, you may select another session date in a course at the student's level. If none of these options work you may email us to find another option. Check back as spots may open up in full classes.

Early Cancellation opens up **spots for other students** & lets our Fly Crew know how many students to prep for!

This is available up to 24 hours prior to the class time. You can attend a makeup class within the same course session, on the same apparatus, at your class level or lower.

Makeup credits must be used within the same session. If you missed a class and cancelled late or not at all Makeups are available at half the drop in rate.
